Interact is Rotary International's service club for young people ages 12 to 18. Interact clubs are sponsored by individual Rotary clubs, which provide support and guidance, but they are self-governing and self-supporting. Each year, Interact clubs complete at least two community service projects, one of which furthers international understanding and goodwill. Through these efforts, Interactors develop a network of friendships with local and overseas clubs and learn the importance of

- Developing leadership skills and personal integrity
- Demonstrating helpfulness and respect for others
- Understanding the value of individual responsibility and hard work
- Advancing international understanding and goodwill

Fairfield Glade Rotary Club is proud to sponsor the Interact Club at Stone Memorial High School.
